

# POLICY REGARDING QUALITY, SAFETY, SECURITY, HEALTH AND THE ENVIRONMENT

REVISION DATE  
20/10/2022

H.Essers ensures that all services offered to our customers constantly comply to the highest applicable standards and/or regulatory requirements.

We aim to be the leading company in the field especially with regards to Quality & Compliance including (road)safety, security, food and environment. H.Essers Management achieves this by actively promoting a Quality Culture and embedding responsibility towards our customers and colleagues in the core values of the organisation.

To support this goal, quality is brought to the attention of all by means of regular communication and providing personnel with sufficient means to achieve said high standard.

Hilde Essers  
Chairman of the Board

Gert Bervoets
